ASSIGNMENT-1

Q1. Find at least a single character that has not changed over the year :-

Year

List of characters

①. Last 2 years

Discipline

In last two years, especially while preparing for JEE mains, have taught me the value of discipline. I became focused on my goals, managing my time effectively and sticking to a study routine to ensure I gave my best effort.

②. Last 5 years

Empathy

Over the last five years, I've become much more empathetic. I've grown to understand others' feelings and

perspectives, which has helped me become more compassionate and considerate in my relationships.

③. Last 7 years

Creativity

For the past seven years I've nurtured my creativity, particularly through my interest in building robots and creating video (edit) and other innovative projects. I enjoy coming up with new ideas and finding unique solutions to challenges, especially in technical fields.

④. Last 10 years

Curiosity

For as long as I can remember, I've had a deep interest in science and

astronomy. I would spend hours reading encyclopedias, eager to learn more about the universe and its mysteries. This curiosity continues to drive my desire to explore and understand new concepts.
